* Try the NEW SWIX spray on Violet Grip! WICKED good and SUPER easy!

NO WAX SKI SUGGESTIONS

* It NEVER hurts to hot wax the tips and tails of your favorite skis! Give them some love and they will last longer.

* Keep your grip zone happy by applying **SWIX Easy Glide** (eliminates snow/ice build-up when grass/leaves under the snow are wet!) or try the **NEW SWIX Violet Glide**. Can be applied tip to tail when you don't have time to hot wax tips and tails.
